

4 steps to becoming a Bulbmaniac

1 **SPRING:** Ponder over a bulb catalogue. Request your choice of bulbs at an order point.

2 **AUTUMN:** Having waited eagerly for your bulbs to be delivered, do you know which way round to plant them?

3 **AUTUMN.** Plant bulbs, usually twice their own depth, pointy end up. Check the label for more detail.

4 **SPRING:** Congratulations, you are now a fully fledged Bulbmaniac.
